

KUDOS

Congratulations!

On behalf of a Kudos nomination by Julie Edgar, I would like to recognize your outstanding contributions to the Fox2 News coverage on the No Wrong Door grant.

In the words of Julie "Without Mary's connections and hard work, we would not have been able to get media coverage of our distribution of robotic pets and other devices to nursing homes. Mary coordinated with the West Bloomfield Health and Rehab Center to allow us to come into the home and set up for the Fox2 News segment. She also participated as an interviewee and did quite well. It was an excellent piece, thanks to her efforts!

You are a valued member of our team and your continued contributions are vital for our Agency to continue to be successful in meeting our Mission, Vision and Values. Your individual efforts are essential to our success. In appreciation of your efforts, we are awarding you with a Bronze KUDOS Award which includes a \$100 bonus.

Thank you for your hard work and dedication. We look forward to your continued contributions and future success.

Sincerely,

Jenny Jarvis
